

Employment and staffing

Student placements

Policy Statement

The Island Day Nursery recognises that qualifications and training make an important contribution to the quality of the care and education provided by early years settings. As part of our commitment to quality, we offer placements to students undertaking early years qualifications and training. We also offer placements for school pupils on work experience. We aim to provide for students on placement with us experiences that contribute to the successful completion of their studies and that provide examples of quality practice in early years care and education. We recognise that the students that we host are the future of childcare.

Procedures

- We require students on qualification courses to meet the 'suitable person' requirements of Ofsted and have DBS checks carried out.
- All students must undergo a suitability interview before being offered a placement and provide a copy of their DBS
- We require schools placing students under the age of 17 years with the setting to vouch for their good character.
- We supervise all students at all times and do not allow them to have unsupervised access to children.
- Students undertaking qualification courses who are placed in our setting on a short term basis are not counted in our staffing ratios.
- Trainee staff employed by the setting may be included in the ratios if they are deemed competent.
- We take out employers' liability insurance and public liability insurance, which covers both trainees and voluntary helpers.
- We require students to keep to our confidentiality policy.
- We co-operate with students' tutors in order to help students to fulfil the requirements of their course of study.
- We provide students, at the first session of their placement, with a short induction on how our setting is managed, how our sessions are organised and our policies and procedures, as well as fire evacuation procedures and Lockdown procedures
- We communicate a positive message to students about the value of qualifications and training.
- We make the needs of the children paramount by not admitting students in numbers that hinder the essential work of the setting.
- We ensure that trainees and students placed with us are engaged in bona fide early years training, which provides the necessary background understanding of children's development and activities.

Persons responsible for implementing this policy:

Erica Dunwell/Heather Bishop/Rosalind Moreno/Cara Bonner – Barton

Erica Dunwell/ Heather Bishop/Jonathan Reed – Sandown

Erica Dunwell/Becky Kujabi/Sam Hicks– Wootton
